Description :

PDF-93377 | In this digital age of computer-generated graphics and typography, it's refreshing to find typographers who still believe in working by hand. No longer relegated to designer's sketchbooks, hand-drawn type has emerged from the underground as a dynamic vehicle for visual communication from magazine, book, and album covers to movie credits and NFL advertisements. As the practice and appreciation of ha... *Hand Job: A Catalog of Type*
