Description :

PDF-3fd06 | A paint and paper documentary, observing great horned owls in their natural habitat. "Mesmerizing is the only word that works to describe Maggie Umber's new graphic novel Sound of Snow Falling. Well, "enchanted" works too. As in nature, the more you look, the more you see. A third viewing reveals story lines I'd missed in the first two. Umber's minimalist paintings manage to convey, in ... *Sound of Snow Falling*
